

Announcement of an important fact

The company ELLAKTOR hereby informs investors that its subsidiary AKTOR SA has signed a contract concerning the completion of the project «Construction of the National Museum of Modern Art».

The value of the Contract is 26.3 million Euros, plus VAT, and the duration of construction is 23 months.

The National Museum of Modern Art, a project of monumental character in the sense that as regards morphology, function and quality, has timeless elements and will enter a new phase of operation with all its activities and collections housed in the new FIX building.
