

Response to question raised by the Hellenic Capital Market Commission

In reply to letter No. 1210/01.04.2016 from the Hellenic Capital Market Commission it is disclosed to the investment community that:

- i) The relevant waste management contracts in Cyprus are :
- “Design, Construction, Operation and Maintenance of a Sanitary Landfill and Refuse Transfer Station for Paphos District” signed on 23.10.2003 that included a 10-year operation of the project that expired on 14.01.2016.
 - “Design, Construction and Operation of Waste Treatment and Disposal Facilities for Larnaka – Ammochostos Districts” signed on 20.12.2006 that includes the construction and a 10-year operation of the integrated waste management facility in the area of Kosi in Larnaca Municipality with an expiry date of 01.04.2020.
- ii) The contribution of HELECTOR activities (subsidiaries and joint ventures) in Cyprus, and the total HELECTOR sub-group to the total consolidated ELLAKTOR group for 2015 are summarized in the table below:

<i>2015 Data (amounts in Euro thousand)</i>	HELECTOR activities in Cyprus	HELECTOR Subgroup	ELLAKTOR Group
Revenues	10,018	118,208	1,533,083
<i>Revenues as a % of ELLAKTOR Group Revenues</i>	<i>0.7%</i>	<i>7.7%</i>	
Profit / (Loss) before Tax	1,876	16,623	(53,900)
Shareholders' Equity	18,895	109,369	1,031,229

Note that the data for HELECTOR subgroup are also reflected in note 5 “Segment Reporting” of the annual financial statements 31.12.2015, as “Environment” segment.
