

Announcement of an important fact

ELLAKTOR informs that today May 13, 2009, the Ministry of Transportation and Infrastructure of Romania officially announced that the **Vinci Concessions – AKTOR CONCESSIONS – Vinci Construction Grand Projects – AKTOR SA** consortium is the preferred bidder of the Concession Contract for the construction of the Comarnic – Brasov highway. AKTOR SA and AKTOR CONCESSIONS participate with 50% each for the Construction and Concession consortium.

This is the first Concession Contract for the construction and operation of a highway in Romania. The contract refers to the design, financing, construction, operation and maintenance of the 58 km Comarnic-Brasov part and the bid construction cost is 2,000,000,000 Euro.

The total concession period is 30 years out of which the first 4 refer to the construction of the project.
