

## **Brief Curriculum Vitae**

### **Eugenia (Jenny) Leivadarou (daughter of Ioannis)**

Ms. Leivadarou is an Independent Non-Executive Member of the Board of Directors of ELLAKTOR S.A., as well as a member of the Audit Committee, the Nomination and Remuneration Committee, and the Sustainability Committee.

She has extensive expertise and 20 years of experience in innovation, green technologies, construction, renewable energy sources, and waste management. She is also engaged in industrial applications of artificial intelligence, automation, and robotics. She has worked with international organizations, including the United Nations (Secretariat – New York), as well as large corporate groups. In addition, she has long-standing involvement in social inclusion issues and was a founding member of the National Accessibility Authority.

She holds a Diploma in Civil Engineering from the National Technical University of Athens (NTUA), a Master's degree (MSc) in Water Resources Management from NTUA, and an MPhil in Planning, Development and Policy from the University of Cambridge, United Kingdom, specializing in infrastructure economics, urban planning, and development policy. She also holds a PhD in Applied Mathematics from the University of Cambridge, United Kingdom, with specialization in green infrastructure, energy efficiency, product optimization, and environmental protection.

Ms. Leivadarou has received executive education at Harvard Business School in corporate governance and has been trained by an external advisor on the new requirements of CSRD/ESRS and Law 5164/2024, which transposes Directive (EU) 2022/2464 of the European Parliament and of the Council regarding sustainability reporting.
